

HEALTHCARE ASSOCIATE AUTHORIZATION TO RELEASE ENUMERATED CONTENTS OF PERSONNEL FILE

I.	requires that copies of certain documents in your personnel file (Facility Name)
	be available at the work site (<i>see Section II below</i>). Your written authorization and signature are required before ATC Healthcare Services, Inc. can release these documents. ATC Healthcare Services, Inc. has a contractual agreement with the above named facility to maintain the information indicated in Section II confidential and secure, with access being limited to authorized individuals named by title and need to know, in a manner consistent with facility policy on handling similar documents for its own employees. However, we will not release such information without your written authorization.
II.	If you would like to be considered for assignment at the facility named above, the following items are required to be released and available at the work-site. Please place your initials in the box next to the items you consent to being released:
	Copy of criminal background check
	 □ Copy of drug screen report □ Copy of physical statement, stating fitness to perform duties assigned (ATC Healthcare Services, Inc. Health Profile form).
II	• Please indicate your choice by signing the appropriate box below.
•	I hereby authorize ATC Healthcare Services, Inc. to release all information indicated under Section II above to
-	above to (Please write in name facility.)
•	above to (Please write in name facility.) This Authorization shall remain in force until I revoke it in writing.
	above to (Please write in name facility.)
He	above to (Please write in name facility.) This Authorization shall remain in force until I revoke it in writing.
